

## Reward Matrix

Minimum Order Qty	Reward Value \$
50	\$20.00
100	\$50.00
500	\$300.00
1000	\$750.00
BES Ordering Code	RB 3M982Cx125 36+
Product Cost each	\$3.90

### The science of precision-shaped grain

3M precision-shaped grain uses 3M microreplication technology to form sharp peaks that easily “slice” through metal — cutting cooler, faster and lasting longer than conventional abrasive grain.

Conventional ceramic abrasive grain tends to “plow” through the metal, causing heat to build up in the workpiece and the abrasive — resulting in a slower cut and shorter wheel life.
